

The Julia Brown Schools

Dress Code

September through June, the school uniform is *required* for all students while on campus, including winter and spring breaks. Students, however, are not required to wear uniforms during JB Summer Camp (late June, July and August).

PLEASE label all clothes and personal belongings with your child's first and last names. This includes change of clothes, outerwear, hats, gloves, and scarves. If there is no name on the article, it makes it extremely difficult to return these items to their rightful owner. The school cannot be held responsible for lost items.

The uniform colors are CLASSIC NAVY and KHAKI. The school logo is required on the top layer of clothing that the child wears in the classroom. The uniform consists of the following items:
